

# BEGINNER FACE PATTERN

Eye brow consultations are important TO determine before you wax the client. Here are common shapes and methods for a great eyebrow wax.

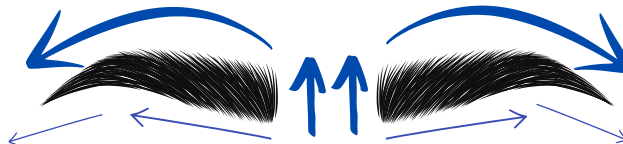

Curved

Angle

Soft Angle

THE BROWS DONT USUALLY HAVE TOUCH UP STRIPS BECUASE THEY HAVE THIN SKIN AND TEAR EASILY. BROWS AND FACE SHOULD ONLY BE WAXED 1X.

## Expert Tip

Give the client a mirror before and after you wax. This can avoid any miscommunications and make sure you are on the same page.
